ABOUT LocatED

LocatED is a government-owned property company, responsible for buying and developing sites for new schools in England.

With funding secured and available, LocatED acquires land and buildings across the country. This makes it one of the largest purchasers of land in the UK.

HOW TO REFER A SITE

Email details about your site to sites@LocatED.co.uk or call the regional contact for each requirement in the tables below.

SITES LocatED WILL CONSIDER

LocatED has individual acquisition budgets to spend on sites that can deliver 10,000 to 175,000 sq. ft. gross internal floor area. These can be brownfield; greenfield; mixed-use sites; and existing buildings that can satisfy the building size requirements.

SITES CAN BE:

- Whole or part buildings with development/extension capability
- Land and development sites on or off market
- Derelict and heritage buildings
- Sites of all planning designations
- Space as part of wider developments

SURPLUS LAND PILOT

LocatED and the Department for Education are launching a small-scale pilot to explore how to reconfigure a selection of school properties with surplus buildings or land.

The aim is to unlock funds to support additional capital investment in school buildings and, in turn, release land for homes. The pilot will focus on areas of England with high or very high housing need, with the potential to include affordable housing.

All projects will include improvements to sports facilities and any works will always be the school and landowner's choice.
